#### **Housing Department and Health and Social Services Department – Provision of 'Extra Care' Housing at Maison Maritaine and Longue Rue**

To sursis debate on the Article until such time as the States shall have considered the items referred to in (a), (b) and (c) below, and to direct:

- (a) the Housing Department and the Health and Social Services Department jointly to lay before the States of Deliberation at their meeting in March 2012, or sooner if possible, the Older People's Strategy referred to in Appendix 2 of those Departments' Report dated 15<sup>th</sup> March 2011;
- (b) the Social Security Department and the Treasury and Resources Department jointly to lay before the States of Deliberation at their meeting in May 2013, or sooner if possible, a comprehensive and sustainable model for funding 'extra care' accommodation and care provision in the community;
- (c) the Treasury and Resources Department, after consultation with the Housing Department, to lay before the States of Deliberation at their meeting in May 2013, or sooner if possible, a report reviewing the funding of the Corporate Housing Programme and in particular the arrangement which enables the capital costs of social housing to be considered outside the rest of the States' capital programme.
