Billet d'État No. XIII

Article No. VI

SURIS

Proposed by: Deputy J. Gollop,
Seconded by: Deputy D. de Lisle.

Guernsey Airport - Pavement Rehabilitation Project

To sursis the article and to instruct the Public Services Department to report back to the States as soon as reasonably possible with an alternative comprehensive plan in respect of the future rehabilitation, maintenance and management of the Guernsey Airport Pavement, which plan shall be prepared after consultation with all interested parties and shall (without limitation) pay attention to economic cost, social and environmental criteria and employment opportunities for the local workforce.
