

## **STATES OF DELIBERATION**

28<sup>th</sup> September, 2011

**Billet d'État No. XV**

**Article No. 16**

### **AMENDMENT**

Proposed by: Deputy C S McNulty Bauer

Seconded by: Deputy M S Lainé

### **Commerce and Employment Department**

#### **Aircraft Registry**

1. To delete Proposition 1 and to substitute therefor:
  - “1. To approve in principle the establishment of -
    - (a) a Channel Islands aircraft registry, subject to agreement with the relevant authorities in Jersey, or
    - (b) in default of such agreement within such time frame as the Department considers reasonable, a Guernsey aircraft registry on the basis set out in this States Report.”.

#### **Explanatory Note**

This amendment proposes in principle approval of the establishment of a Channel Islands aircraft registry provided that agreement can be reached with the relevant Jersey authorities within a time frame which the Commerce and Employment Department considers reasonable. If agreement cannot be reached within such time frame, the amendment proposes in principle approval of the establishment of a Guernsey aircraft registry. At the time of finalising the States Report the relevant Jersey authorities had declined the opportunity to work collaboratively on developing a Channel Islands aircraft registry, but they may now be reconsidering their position on this issue.
