Billet d'État No. III

Article 19

AMENDMENT

Proposed by: Deputy H J R Soulsby

Seconded by: Deputy L B Queripel

Commerce and Employment Department **Trading Standards Legislation**

To insert a new proposition as follows;

“1A. To direct the Department to consider proposals for the introduction of legislation concerning offers, sales and price comparisons, in order to give further statutory protection to the consumer, and to report back to the States by May 2017.”

Explanatory Memorandum and Rule 15(2) Information

This amendment seeks to ensure that consideration can be given to the issue of sales, offers and price comparisons when considering relevant statutory consumer protection in relation to trading standards. This amendment is not anticipated to have any financial implications for the States.
