Billet d'État No. I Article 20

AMENDMENT

Proposed by: Deputy J A B Gollop

Seconded by:

Public Accounts Committee Controlling Expenditure on Off-Island Placements

To substitute the following for Proposition 2:

- “2. To direct the Health and Social Services Department, in conjunction with the Treasury and Resources Department, to continue to progress the recommendations in that report in order to achieve greater value for money, and develop plans and strategies where appropriate to provide On-Island facilities.”

Explanatory Note

This amendments is intended to

- ensure full co-operation of the Treasury and Resources Department in progressing the recommendations;
- encourage efforts to achieve a significant reduction in off-island placements over the longer term, by placing greater emphasis on developing resources for people in need within the Bailiwick.
