39. To note the Budget for the States of Alderney for 2015.

39A To note that since 2012, and in accordance with planned preventative maintenance for elemental refurbishment of Les Beaucamps High School as agreed at the time of the redevelopment of the school, the Education Department has received a specific amount of £175,000 per annum; and to note that the Treasury & Resources Department fully supports the Education Department in its plans to ensure that the school is maintained appropriately in order to maximise its useful life and deliver optimum value for money in return for the substantial capital sum expended; and, therefore, to direct the Treasury & Resources Department to continue to allocate for this purpose £175,000 per annum in subsequent years in addition to the Education Department’s net routine capital expenditure budget; and to direct that in the 2016 Budget Report the Treasury & Resources Department, after consultation with the Education Department, shall set out proposals regarding the appropriate governance of and access to the aforementioned ring-fenced maintenance funds for Les Beaucamps High School.
