Please note that if the final liability is found to be in excess of your recommended payment, or the amount due (being the amount of your recommended payment) is not paid on or before the settlement dates, late payment surcharges may be payable.

**You should show in this box the reason why you do not believe the full amount of tax charged by the interim assessment should be paid, for example, business profits are lower than that assessed. You will be notified, in writing, if the Director does not agree to suspend the tax as requested.
