**Data Protection - How we collect and use information**

The States of Guernsey Health and Safety Executive processes personal information for health and safety purposes in order to carry out functions relating to the relevant health and safety and associated legislation that it administers. Information collected will depend on your business with us, but will be no more than is required for that purpose. We may get information about you from others for any of our purposes if the law allows us to do so. We may also share information with certain other organisations if the law allows us to. Any personal information you give to us will be processed in accordance with the Data Protection (Bailiwick of Guernsey) Law, 2001.
