**Implementation of the Solid Waste Strategy**

To insert a new Proposition 9 –

- "9. To instruct the Committee *for the* Environment & Infrastructure, in liaison with the States' Trading Supervisory Board and any other relevant party, to investigate the most cost effective way to collect recyclables and to report back to the States with their conclusions before the end of 2017. Such investigation must consider, inter alia, a Kerb-Side scheme run by individual parishes and an island wide Kerb-Side scheme."
