

The Health and Social Care have a comprehensive Service for Older People experiencing dementia and is committed to ensuring the health and wellbeing of those service users who are in contact with our service.

In-patient centres:

- + **Tautenay** - 12 bed assessment unit for individuals with a diagnosis or suspected dementia who present with behaviours that challenge.
- + **Duchess of Kent** - 22-bed residential facility for those experiencing dementia and present with behaviours that challenge. There are in addition 4 beds allocated to provide respite to carers in the community.
- + **Fougere** - 20-bed unit for individuals experiencing dementia who are in the advanced stage of their journey and need assistance with all aspects of daily living and present with complex co-morbidities.
- + **Hanois** - 20-bed unit for individuals who present with complex behaviours that challenge and require assistance with all aspects of daily living.

Day Services

- + **The Willows** - 20-day places for service users offering a wide range of therapeutic activities as well as undertaking assessments of service users for progression through the service. Staff provide bathing and a range of activities on a group and individual basis.

Community Mental Health

- + A team consisting of 1 team leader, 4 community psychiatric nurses, occupational therapist and 2 community support workers 1 Consultant Psychiatrist and 1 Associate Specialist. The members of this team also carry out a memory clinic service undertaking specialist testing leading to possible diagnosis.

Alderney services

- + **Mignot Memorial Hospital** - 22-beds which offers the significant challenge of working in an isolated island community. This is a highly challenging yet rewarding environment to work in as it provides care to such a diverse group of conditions.

We have opportunities in:

- + **RMN's Older Adult Mental Health**
- + **RGN's Older Adult Nursing**
- + **RGN's- Mignot Memorial Hospital, Alderney**
