

The Adult Disability Service consists of:

- + The Community Learning Disability Team
- + The Community Disability Team
- + Positive Behaviour Support Team
- + St Martin's Day Service
- + Short Break Service
- + Accommodation and support service

The service also supports service users to live in a variety of settings, such as residential homes, personal tenancies and extra care housing. The support offered varies from a few hours social support, to 24 hour care for individuals with more complex needs.

We also provide outreach to some individuals, who are still living within their family homes

Working for Adult Disability Services in Guernsey offers a multitude of opportunities for both the registered and unregistered workforce.

The service is currently in a period of

transformation with areas of development in community outreach services, accommodation and day services, transition and autism being just a few.

The community teams and positive behaviour support team offer a progressive multi-disciplinary approach to care. All our teams work in partnership with service users and carers using a person-centred approach. We aim to maximise independence, well-being and choice, with a strong commitment to person-centred care and evidence-based practice.

We are looking for motivated and passionate individuals with a vision for the future.

We have job opportunities for both registered and unregistered staff.

“ Working in the Guernsey learning disability team is an exciting professional development opportunity. The team welcomes professionals and others who bring innovative practice to the island. This helps develop services that reflect best practice. The team has an ethos that strives to always deliver person-centred support and care. ”

Alan Price - Team Leader
