REQUEST UNDER THE CODE OF PRACTICE FOR ACCESS TO PUBLIC INFORMATION

Request sent on March 25th 2014:

I have searched for the information that I require below online, but it is not available. I hope that you will be able to provide me with access to the information.

I am looking to find out attendance statistics for attendance every Monday at Beaucamp School - since Future Skills Day's were introduced. I believe these are for years 10 and 11, however I am unsure whether younger year groups take part in this.

States of Guernsey response April 1st 2014:

There are many reasons for authorised non-attendance at school including absence through sickness.

The Future Skills Programme at Les Beaucamps High School is part of the Key Stage 4 curriculum for Year 11 students.

The Department can provide the following attendance statistics for the most recent completed full school term (September to December 2013).

It should be noted that 1 pupil represents 1.06%
