POLICY & RESOURCES COMMITTEE

POLICY & RESOURCE PLAN - PHASE TWO

To insert a new Proposition 5A between Propositions 5 and 6 as follows:

- 5A. a) To instruct the Policy & Resources Committee, in consultation with the Committee *for* the Environment & Infrastructure, to consider and review the best way of raising revenues from motoring in future, taking into account the ongoing reduction in fuel sales.
- b) To agree that the focus of the review shall be on how to achieve the maximum sustainability of this source of States' revenue rather than on increasing the total amount of taxation levied on motoring in Guernsey.
- c) To instruct the Policy & Resources Committee to report back with its conclusions in sufficient time for any proposals flowing from the review to be included in the budget for 2019.
