Access to Public Information Response

July 31st 2017

REQUEST UNDER THE CODE OF PRACTICE FOR ACCESS TO PUBLIC INFORMATION

Request sent on July 31st 2017:

Hello

How much did we pay PwC for the above review (PwC Review of Education, Sport & Culture)? Presumably, as we now have such splendidly transparent government this information is already online. I'm afraid I can't find it on gov.gg

States of Guernsey response sent on July 31st 2017:

You are correct, the information you have requested is already published online at <https://gov.gg/article/160653/Report-identifies-savings-opportunities-for-Education-Sport--Culture-and-Home-Affairs>

For ease of reference, the media release on the link above states both reviews cost about £358,000 combined.
