

Access to Public Information Response

September 27th 2017

REQUEST UNDER THE CODE OF PRACTICE FOR ACCESS TO PUBLIC INFORMATION

Request sent on September 27th 2017:

Please could you advise what guidelines your organisation follows for the treatment of Chronic obstructive pulmonary disease (COPD).

Do you have any local guidelines available for COPD treatment and management?

I have consulted your website but been unable to find anything. If local guidelines are available, please could you send me a copy or point me in the direction of how to find them.

States of Guernsey response sent on October 4th 2017:

Following your request for information, please see below for a response from Health & Social Care.

HSC uses the GOLD Guidelines for COPD 2017 which is the global strategy for the diagnosis, management and prevention of Chronic Obstructive Pulmonary Disease.
