Proposition No. P2017/90

AMENDMENT

Proposed by: Deputy G A St Pier

Seconded by: Deputy L S Trott

Policy & Resources Committee

States of Guernsey Annual Budget for 2018

To delete proposition 22 and substitute with the following;

- "22. To direct the Policy & Resources Committee with the Committee *for* Employment & Social Security to investigate the advantages and disadvantages of integrating the compilation, presentation and debate by the States of all general revenue income and expenditure, including non-contributory benefits within a single Report and, following dialogue with the States Assembly & Constitution Committee on any changes to the rules of procedure, to report back with any recommendations to the States no later than October 2018."

Explanatory Note

This amendment follows dialogue with the Committee *for* Employment & Social Security. It includes a requirement to engage with the States Assembly & Constitution Committee on any necessary changes to the rules of procedure, prior to reporting back to the States with the investigation, outcome and recommendations; and it further does not require the reporting back to be specifically within the 2019 Budget Report.
