of the
ISLAND OF GUERNSEY

18th July, 2018

Proposition P.2018/62

COMMITTEE for ECONOMIC DEVELOPMENT

REVIEW OF AIR TRANSPORT LICENSING

AMENDMENT

Proposed by: Deputy E A Yerby
Seconded by: Deputy M H Dorey

To insert, after Proposition 10, the following Proposition:

- "11. To direct the States' Assembly and Constitution Committee, in consultation with the Committee for Economic Development, the Policy & Resources Committee and the Transport Licensing Authority, to review the role and constitution of the Transport Licensing Authority and, if it considers that changes are necessary, to return to the States with proposals no later than the end of 2019."

EXPLANATORY NOTE

The Frontier Economics report identified the need for a clearer division of responsibilities between the Transport Licensing Authority and the Committee for Economic Development, but this was not specifically addressed in the policy letter. This amendment seeks to do so, since, if any form of licensing regime is to be retained, then both the structure of the regime and the nature of the body applying it are essential to its effectiveness.
