¹¹ The option to take up the Freedom Active membership is available for 6 months after completing the Life Fit course or a rehabilitation programme. After 6 months a new referral would be required.

¹² Please be aware that there are some medical conditions that would require us to refer on to a medical specialist.

¹³ A referral from a medical specialist, usually your GP, would normally be required to take up the Freedom Active membership. On receipt of the referral we may require you to attend an interview/assessment and with certain medical conditions may ask you to attend some Life Fit sessions. This is not only for your health and safety but also so that you get the most from this membership.

¹⁴ We may require further referrals to renew a membership or to continue a direct debit membership.

¹⁵ A gym induction specific to needs must be completed

¹⁶ To act as carer a personalised carers induction may need to be completed, this will include evacuation instruction specific to the member if required. The carer will be registered on our system and issued with a card.

¹⁷ A personalised induction will not be required for those completing Life Fit or other rehabilitation programmes, but they should continue the programmes as instructed.

¹⁸ A monthly review may be in the form of a phone call, an email or a face to face chat. If an instructor feels a member would benefit a session can be arranged at no further charge. The member can also request further support.

Non-member Booking Card

Sign up for a **FREE** Non-member Booking Card free of charge. You still pay as a non-member, but it makes your booking quicker and easier! If you're a gym user but want to 'pay-as-you-go' then this card can prove you are gym inducted.
