

QUESTIONS PURSUANT TO RULE 11 OF THE RULES OF PROCEDURE

From	Deputy D. de G. De Lisle
To	President, Committee <i>for</i> Health & Social Care
Subject	Bulwer Avenue Fire at Guernsey Recycling
Date of questions	11 th September, 2018
States' Meeting	26 th September, 2018

Question 1

There are concerns relating to the delay in notifying the public of the Bulwer Avenue Fire, the failure of an early warning system of communication with islanders and the inaccuracy of the information given by Environmental Health in relation to the toxic nature of the fire. How will these areas of concern be corrected in future?

Question 2

What penalties have been applied to those responsible for the fire and what conditions were applied on reopening the waste site?

Question 3

What investigative review has been initiated to protect the public in future?

Question 4

What measures have been put in place to safeguard the public drinking water supply from toxic fire residues leaching into Longue Hougue reservoir?

Question 5

What health and safety measures were in place to protect the firemen and their reserves on site and have measures been taken since the fire to protect the health and safety of workers on site from pollutants, ash and residues from the fire?
