From	Deputy P. J. Roffey
To	President, Development & Planning Authority
Subject	Planning applications: timeframes for processing
Date of questions	12 th September, 2018
States' Meeting	26 th September, 2018

Question 1

What is the average time currently being taken from the DPA receiving planning applications to those applications being officially registered? (If there is any material difference then please breakdown into large, medium and minor applications).

Question 2

What is the average time currently being taken to determine planning applications once they are registered? (Again please break down into large, medium and minor if there is a material difference)

Question 3

Does the president agree that lengthy planning delays are yet another headwind for a local construction industry which is already under some strain.

Question 4

Given that when planning fees were introduced the island was assured that in return they would get an efficient, well-resourced and timely service is the president happy that the States are keeping their side of that bargain?

Question 5

If the answer to question 4 is "no" what does his committee intend to do about it?
