Sir,

The States Assembly and Constitution Committee

It is with regret that I wish to tender my resignation as a member of the States Assembly and Constitution Committee.

Following the outcome of the recent Referendum on Guernsey's voting system I feel that it is time for me to step down from the Committee. This will allow a new member to be elected that has the energy and commitment to bring in full island-wide voting under Option A for the 2020 General Election.

My workloads within the Committee for Employment and Social Security are increasing as we get closer to 2020. I feel that I need to give all my time and energies to the progression and implementation of the policy work within that Committee.

Yours sincerely
