

## RECYCLING & WASTE DISPOSAL ROUTES FOR BUSINESSES

### **IMPORTANT:**

Loads of waste delivered to States of Guernsey Waste sites (i.e. the Longue Hougue Waste Transfer Station, the Longue Hougue Land Reclamation site or Mont Cuet) must be source segregated and loads must only contain items accepted at these sites, otherwise a contamination charge may be incurred. For the avoidance of doubt, mixed loads of items accepted at the individual sites listed above is allowed with the exception of recyclable glass and food waste which must be delivered as segregated loads. For more information on gate fees and detailed conditions of acceptance at States of Guernsey Waste sites please refer to the 'Charging Guidance and Conditions of Acceptance' download available at [gov.gg/recycling](http://gov.gg/recycling). For other privately operated sites (i.e. those not listed above) we recommend making contact with the company listed below first for gate fees, conditions of acceptance and opening times.

Businesses creating waste equivalent to that of a household (i.e. black bags, food waste and recycling which can be placed in blue/clear kerbside recycling bags) can apply to their Parish Douzaine to opt in to the household kerbside collections for these waste streams. This is at the discretion of Parishes and is suitable for small office businesses etc. Businesses creating a larger amount of household-type waste which cannot opt in to household kerbside collections or do not wish to deliver it themselves as per the list below must apply for a commercial collection (see Yellow Pages in the phone book).

Item	Description	Recommended route
<b>Asbestos</b>	Bonded or fibrous asbestos	Contact Health & Safety Executive
<b>Batteries</b>	"Household" type <sup>1</sup> and lead acid batteries	A. Sparkes Metal Recycling
	Lead acid batteries only (i.e. car batteries)	Guernsey Recycling
		Scrap-it
		Target Auto Parts
		Wastenot
<b>Black bag/general waste</b>	Black bag, putrescible waste, similar to household general waste	Longue Hougue Waste Transfer Station <i>See note at top of page</i>
<b>Cardboard</b>	Any quantities	Mayside Recycling
<b>Computers</b>	Computers and equipment, including monitors and printers	Galaxy Computer Brokers
<b>Oil</b>	Any type	Waste Oil Recycling
<b>Electric items &amp; electrical cable</b>	All types, power tools, appliances, audio equipment, fans, etc.	Guernsey Recycling
<b>Gas cylinders</b>	Old or unused Guernsey Gas cylinders	Guernsey Gas
	Other gas cylinders	Contact Hazardous Waste Officer
<b>Glass bottles/jars</b>	Any colour (loads delivered must be segregated recyclable glass with no other waste mixed in)	Longue Hougue Waste Transfer Station
<b>Glass (plate)</b>	Window or greenhouse panes	Longue Hougue Land Reclamation Site
<b>Fibre glass</b>	Including items predominantly comprised of fibre glass e.g. boats	Mont Cuet landfill site
<b>Food waste</b>	Food waste (loads delivered must be segregated food waste only with no other waste mixed in)	Longue Hougue Waste Transfer Station <i>See note at top of page</i>
<b>Furniture</b>	Any office items	Contact the Waste & Recycling Team
<b>Granite</b>	Reusable stone	Vaudin Stonemasons
<b>Green waste</b>	Garden and horticultural waste	Mont Cuet landfill site (for processing)
<b>Gypsum</b>	Plasterboard	Island Waste
	Plasterboard not suitable for recycling via Island Waste, or items predominantly comprised of gypsum not suitable for recycling	Mont Cuet landfill site

<sup>1</sup> A battery recycling scheme for businesses to partake in is in operation- contact the Waste & Recycling Team for more information

Item	Description	Recommended route
<b>Hazardous waste</b>	Chemicals, paints, thinners, industrial solvents, etc.	Contact Hazardous Waste Officer
<b>Inert waste</b>	Uncontaminated (e.g. rubble, sand, gravel, stone, etc.)	Longue Hougue Land Reclamation Site
	Recoverable (e.g. rubble, concrete blocks, bricks, roof tiles, granite; <i>no wood, asphalt or asbestos</i> )	Ronez Island Waste
<b>Lightbulbs</b>	Fluorescent tubes and low energy lightbulbs <i>Old style lightbulbs – general waste</i>	Wastenot <i>See above</i>
<b>Liquid waste (unrecyclable)</b>	Any liquid waste, including waste paint and grease, where there is no appropriate recycling route	Mont Cuet landfill site
<b>Mattresses</b>	All types	Island Waste
<b>Metal</b>	Ferrous and non-ferrous scrap metals	A. Sparkes Metal Recycling Wastenot Guernsey Recycling
<b>Mobile phones</b>	Any unwanted handsets	JT- High Street shop Sure- High Street and La Vrangue
<b>Oil filters</b>	Waste oil filters	Total Waste Recycling
<b>Pallets</b>	Wooden or plastic pallets <i>(Blue 'GKN' and white 'Euro' pallet boards belong to 'Pallet Pool' companies)</i>	Guernsey Pallet Company
<b>Paper</b>	Inc. printer & copier paper, newspapers, shredding, phone books	Mayside Recycling
<b>Plastics</b>	Clean & empty plastic packaging. <i>No black plastic or film – Waste Transfer Station</i> <i>No rigid plastics – see below</i>	Mayside Recycling
<b>Polystyrene</b>	All types	Waste Transfer Station
<b>Polythene</b>	Clean, clear plastic film and bubble wrap - <i>commercial quantities</i>	Mayside Recycling
<b>PVC</b>	Inc. drainage pipes, fascias, etc. Excludes uPVC windows & doors	Mont Cuet landfill site
<b>Printer cartridges</b>	Laser and inkjet printer cartridges	Wastenot
<b>Rock wool</b>	Items predominantly comprised of rock wool, e.g. insulation	Mont Cuet landfill site
<b>Rigid plastics</b>	Any types	Island Waste
<b>Ropes, chains etc.</b>	Ropes, cords or chains made from any material- more than 1m long <sup>2</sup>	Mont Cuet landfill site
<b>Soil/turf</b>	Top soil mixed with turf	Longue Hougue Land Reclamation Site
<b>Televisions</b>	All types	Guernsey Recycling
<b>Tins/cans, aerosols</b>	Clean & empty- no oil/paints/solvents. <i>Do not puncture aerosols</i>	Mayside Recycling
<b>Tyres</b>	Car, lorry and motorcycle tyres	Target Auto Parts Pitstop
<b>uPVC</b>	Windows and doors (unglazed)	Sarnia Recycling
<b>Vehicles</b>	All Guernsey-registered vehicles Vehicles not qualifying for Bulk Refuse Scheme	Free disposal <sup>3</sup> <a href="http://www.gov.gg/bulkrefuse">www.gov.gg/bulkrefuse</a> Guernsey Recycling
<b>Wood</b>	Greenhouse/house timber suitable for reuse (no rot) All other wood or chipboard	Portinfer Timber Yard Longue Hougue Waste Transfer Station Island Waste

<sup>2</sup> Any that are cut to lengths of less than 1m can be disposed of at the Longue Hougue Waste Transfer Station

<sup>3</sup> Only available for registered owners
