

## **Remuneration**

### **Non-Executive Directors Incorporated Companies**

The levels of remuneration for the Chairman and Non-Executive Directors of the **incorporated companies** are reviewed by the States' Trading Supervisory Board every two-years. Remuneration levels are reviewed in line with movements in civil service salaries.

The current levels, effective from 1 April 2019, are as follows:

<b>Company</b>	<b>Chairman</b>	<b>NED</b>
Aurigny Air Services, Guernsey Post, Guernsey Electricity	£14,919	£11,480
Jamesco750 Limited	£4,830	£3,633

The rates for Jamesco are considerably lower, recognising that the workload for its Board is not as intensive or involved as that required at the other three incorporated companies.

The next review point will be 1 April, 2021.

### **Unincorporated Companies**

There is currently no remuneration available to those individuals who act as advisers to the **unincorporated companies**.
