Bulwer Avenue Fire

Request:

The information that I am requesting relates to the fire at Bulwer Avenue which happened on the 3rd August 2018.

I am looking for the following information:

- Has a report on the fire been published and disseminated to the Civil Contingencies Authority?
- Can we get a copy of the report by Guernsey's Fire Chief on the Bulwer Avenue fire?
- What changes have been implemented at JESCC off the back of the report?

Response:

The Report was recently finalised and shared with the Committee *for* Home Affairs on Monday 1st April. I can confirm that the report will be published in due course but ahead of this, it needs to be shared with other stakeholders. Therefore, exemption 2.10 – Publication and prematurity in relation to publication – is being applied to your API request.
