Enquiry regarding expenditure relating to supply staff in schools

Request for information:

Please could you provide me with the spend on Supply Staff of each Primary, Secondary and SEN School within Guernsey State for the 2017/2018 academic year under the Code of Practice for Access to Public Information? Can this be broken down by school and which agency was used for each type of school, please?

Response:

We spent £289387 in the academic year 2017/2018 (01/09/2017 – 31/08/2018) on Supply Staff in both the Primary and Secondary Schools across the Bailiwick of Guernsey (incl Alderney). These were sourced from five companies being Smart Teachers, Concorde, CER, Teacher Active and Protocol National. Exact details of the amount spent with each agency is exempted under 2.3 (Effective Management of the Public Service).
