

QUESTIONS PURSUANT TO RULE 11 OF THE RULES OF PROCEDURE

From	Deputy A.C. Dudley-Owen
To	President, Committee <i>for</i> Education, Sport & Culture
Subject	Education plans
Date of questions	6 th January 2020
States' Meeting	15 th January 2020

Question 1

In light of the results of the surveys released by teaching Unions in November 2019, which found that **“over ¾ of teachers do not agree with the current plans for school transformation”**, can the Committee *for* Education Sport and Culture (ESC) provide details of what tangible and substantive changes have been made, if any, to their one school on two sites building designs and also to the Outline Business Case, in response to Union concerns?

Question 2

In light of the results of the surveys released by teaching Unions in November 2019, which found that **“with more than four out of five disagreeing with one school on two sites”**, can the Committee *for* ESC provide details of what tangible and substantive changes have been made, if any, to their one school on two sites organisational structure, implementation plans and also to the Outline Business Case, in response to Union concerns?

Question 3

Will ESC be introducing an extended programme of consultation with the Unions and all teachers to address all the concerns raised and if so exactly what consultation is envisaged.

Question 4

Will there be any amendments to physical design and internal layout of the buildings and therefore to the submitted building plans in response to the concerns raised by teaching staff.

Question 5

In light of the public announcements from the Parish Douzaines, in particular St Martins, St Andrews, Forest, St Saviours, Torteval and St Sampsons, which state serious concerns regarding the impact upon their parishioners and the students from their parishes, regarding the plans to increase capacity at the two designated school sites from around 600 to 1400 pupils, can ESC provide details of what tangible and substantive changes have been made, if any, to their one school on two sites plans, including responses to the traffic impact assessments and the Outline Business Case, in response to these Douzaine representations?

QUESTIONS PURSUANT TO RULE 11 OF THE RULES OF PROCEDURE

Question 6

Will ESC be introducing an extended programme of consultation with all the Douzaines to address all the concerns raised and if so exactly what consultation is envisaged and over what time scale?

Question 7

In light of the recent volume of robust public challenge raised on social media, by e-mail, by letter, by telephone and face to face contact with States members, will ESC be conducting further public engagement in order to make meaningful and substantive changes to the plans published so far and the Outline Business Case?
