

SARS-CoV-2 (Coronavirus)

If you are travelling to an affected area*

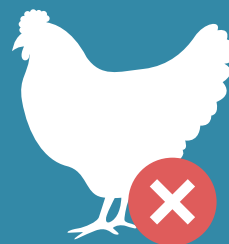

*Please see the updated list of affected areas at gov.gg/coronavirus

Regularly wash
your hands or use
alcohol gel

Avoid close contact
with sick people and
sick animals

Avoid visiting wet or live
markets with animals
and their droppings

If you become unwell with a fever,
cough or shortness of breath while
travelling to an affected area, phone
a healthcare provider without delay.

Don't wait until you return home.

Please contact Public Health Services
through the Princess Elizabeth Hospital
switchboard on **01481 725241** for
further information
