

Immigration & Nationality

A Division of the Guernsey Border Agency

Committee for Home Affairs Work Permit Policy

Immigration Act 1971 as extended to the Bailiwick of Guernsey by the Immigration (Guernsey) Order 1993

- 1) **Employment sectors** - The policy is sector based. Eligible sectors are detailed in the Sector Schedule ('the Schedule') on page 8. In addition, there is provision for intra company transfers for up to 2 years; see page 6.
- 2) **Work permit** - The term "work permit" includes any permission to take employment granted under the "Work Permit Employment" provisions of Part 5 of the Immigration (Bailiwick of Guernsey) Rules 2008.

Work permits will be issued or refused on behalf of the Committee by officers of the Immigration and Nationality Division acting in accordance with this policy working under the direction of the Chief of the Guernsey Border Agency

- 3) **Permit free workers** - The Committee for Home Affairs starts with the premise that the work permit policy is restrictive and the granting of a permit must be viewed as the exception. The Policy has been developed in recent years against the background of European Union enlargement and the Committee is determined that recruitment must, wherever possible, take place from the pool of permit free workers preferably from those who are resident in the Bailiwick of Guernsey.

Permit free workers for the purposes of this policy include the following:

- a) British citizens
- b) Other nationals of Member States of the European Economic Area and Switzerland
- c) Other nationals who have permanent settlement (such as indefinite leave to enter or remain in the Bailiwick of Guernsey, United Kingdom, Bailiwick of Jersey or the Isle of Man)

- d) Participants in the Youth Mobility Scheme
- e) Working Holidaymakers (whilst entry clearances remain valid this category is now closed)

Persons not included in the above list will normally require a work permit to take employment in the Bailiwick of Guernsey.

- 4) **Full time employment** - Except in the case of work permits issued under paragraph 10 below, applications will be considered for full time employment only. For the purposes of this policy, full time employment means employment equivalent to at least 7 hours a day, 5 days a week, 46 weeks a year. 46 weeks to be reduced *pro rata* for employment of less than a year.
- 5) **Advertising:** All jobs must be advertised both locally and throughout the European Economic Area (EEA).

The job must be advertised in the most appropriate medium that provides the best way of reaching suitably qualified permit free workers. It would be expected for the job to be registered with the local 'job centre' and to have an internet presence.

Any advertisement must include the following:

- Job Title;
- the main duties and responsibilities of the job;
- the qualifications and experience needed

Any one of the following will be accepted as advertising in the EEA

Internet

Recruitment Agency

Professional or trade journal

Newspaper advertising

The employer should allow at least 3 weeks from the date the advertisement first appeared or recruitment process commenced before submitting a work permit application.

Evidence of proactive recruitment efforts either through advertising or an equivalent recruitment process must be produced. Details of the responses the employer has received to all advertising or other recruitment methods used must also accompany any application. This should include the total number of people who responded, the

number short-listed for interview and full reasons why no permit free worker was suitable for the post

This does not apply to applications made under paragraph 10 or for Legacy Policy permits in Sector C of the Schedule.

- 6) **Validity of work permit** - A work permit, if approved, will be issued for specified full time employment within eligible sectors as defined in the Schedule. The period for which the permit will be valid will be for the period specified in the work permit application up to a maximum period of 5 years.

Short Term work permits and Legacy Policy work permits in Sector C of the Schedule or work permits made valid for periods of 9 months or less will not be extended unless the permit holder otherwise qualifies for a work permit under this policy. This includes fully satisfying the advertising and English language requirements of paragraphs 5 and 8.

- 7) **Change of employment** - Changes of employment will not be considered for employment outside of the sector for which the original permit was issued.

- 8) **English language requirement** - In all cases, except for permits issued under paragraph 10 below and Short Term permits or Legacy Policy permits in Sector C of the schedule, the potential permit holder must have an adequate command of the English language. To satisfy this criterion, the potential work permit holder must;

- i) be a national of a majority English Language speaking country as listed below: Antigua and Barbuda, Australia, the Bahamas, Barbados, Belize, Canada, Dominica, Grenada, Guyana, Jamaica, New Zealand, St Christopher (Kitts) and Nevis, St Lucia, St Vincent and the Grenadines, Trinidad and Tobago, the United States of America; or

9) Multiple employment - A work permit authorises full time employment in a specified post for a specified period of time. The holder can have part-time posts in addition to the full time post shown on the permit, provided agreement is sought from the full time employer.

10) Short term permits – Short term permits will be considered for;

- i) established professional entertainers to perform in carnivals, music concerts and other cultural events. Evidence of previous tours in the UK or the European Economic Area such as past publicity material or press reviews (with source clearly identified) will be required. Permits will be issued for a maximum period of up to 1 month.
- ii) personnel required for the purpose of progressing a particular project or assignment in eligible establishments within Sectors A-C but who do not qualify to be treated as an inter-company transfer (see below). Permits will be issued for a maximum period of up to 6 months.

11) References - References when required should:

- where possible, be in English;
- be original or in the form of an emailed scanned PDF file of the original;
- be on business letter-headed paper;
- show the dates the employment started and ended together with the title, duties and responsibilities of the job(s) held.

12) Refusal or rescinding of work permit - Work permits will not be issued to those who have an adverse immigration record or who pose a security, criminal or immigration threat to the United Kingdom or Islands (the Bailiwicks of Guernsey and Jersey and the Isle of Man). Reasons to refuse or withdraw a work permit also include any of the grounds specified in Part 9 of the Immigration (Bailiwick of Guernsey) Rules 2008.

In addition, applications will be refused or work permission withdrawn where any checks to confirm the veracity of references are unsuccessful for whatever reason e.g. where a previous employer fails to respond or an establishment no longer exists. This

may also include circumstances where a British Diplomatic Mission is unable to establish the *bona fides* of a particular reference or establishment.

- 13) **Employment prohibition** - Applications for work permits will not be considered in relation to persons who are in the United Kingdom and Islands or the Republic of Ireland and whose immigration status prohibits employment e.g. as a visitor.
- 14) **Monies due to the States of Guernsey** - The employer must undertake to pay the States of Guernsey any monies which are due to the States of Guernsey from the employee and which are unpaid, this to include all costs of repatriation should that be necessary
- 15) **Indefinite leave to Remain** – a work permit holder may, on application, be granted indefinite leave to remain if, amongst other things he or she has spent a continuous period of 5 years in approved work permit employment and the employer certifies that he or she is still required for the employment in question. In addition a person applying for indefinite leave to remain must satisfy the English language and knowledge about life in the United Kingdom and Bailiwick of Guernsey requirements specified in the Rules and provide evidence that the permit holder has maintained and accommodated himself or herself and will continue to do so. Accommodated includes compliance with the provisions of any legislation controlling the occupation of dwellings.

Paragraph 1(3) of Schedule 2 of the Act empowers the Committee for Home Affairs to direct immigration officers to act in accordance with directions in matters other than the entry of persons into the Bailiwick of Guernsey and the period for which that person may remain.
