

THE STATES OF DELIBERATION
of the
ISLAND OF GUERNSEY

26th February, 2020

Proposition P.2020/14

REQUETE

DETERMINING THE BEST MODEL FOR SECONDARY EDUCATION

AMENDMENT

Proposed by: Deputy H L de Sausmarez

Seconded by: Deputy J S Merrett

To insert after Proposition 2 the following:

“3. To agree that any comparison or consideration of educational models must exclude models that involve selection by academic ability or aptitude.”

EXPLANATORY NOTE

The wording of Proposition 2 states that a comparison and subsequent consideration of models of secondary education “must **include** [...] models of non-selective educational delivery”. Models of selective educational delivery are therefore not ruled out of this comparison.

This amendment seeks to make explicit, for the avoidance of doubt, the fact that **only** non-selective models of secondary education will be considered in relation to this proposition.
