- k. Planned Replacement Date

Response provided by Health & Social Care

The attached spreadsheet contains the information that the States of Guernsey is able to provide under its Access to Public Information (API) Code.

Guernsey is outside of the NHS and negotiates its own prices direct with manufacturers. The initial cost of equipment and the annual maintenance costs are not included in this API response as this is considered to be commercially sensitive information and exception **2.13 Third Party's Commercial Confidences** has been applied.
