THE STATES OF DELIBERATION
of the
ISLAND OF GUERNSEY

COMMITTEE *FOR THE* ENVIRONMENT & INFRASTRUCTURE
AND
STATES' TRADING SUPERVISORY BOARD

PLANNING FOR A NEW FACILITY FOR MANAGING RESIDUAL INERT WASTE

The States are asked to decide: -

Whether, after consideration of the policy letter entitled 'Planning for a New Facility for Managing Residual Inert Waste' of the Committee *for the* Environment & Infrastructure and the States' Trading Supervisory Board, they are of the opinion:-

- 1 To direct the Development & Planning Authority to prepare proposals for a Local Planning Brief for a new residual inert waste facility at Longue Hougue South and to direct the Development & Planning Authority and the Committee *for the* Environment & Infrastructure to take all necessary steps under the Land Planning legislation to lay such proposals before the States for adoption.
- 2 To rescind Resolutions 1 to 3 on Article XIV of Billet d'État No. XXIV of 2017 insofar as they:
 - a. direct the Committee *for the* Environment & Infrastructure and the States' Trading Supervisory Board to take steps, and
 - b. delegate authority to the Policy & Resources Committee to approve expenditure,in relation to a second site from the short list of possible options presented to the States in December, 2017 for inert waste management with the intent that those Resolutions just apply to the identified site at Longue Hougue South, as set out in paragraphs 3.1. to 3.7 of the policy letter.
- 3 To approve the Inert Waste Strategy as set out in Appendix 2 to the policy letter.

The above Propositions have been submitted to Her Majesty's Procureur for advice on any legal or constitutional implications in accordance with Rule 4(1) of the Rules of Procedure of the States of Deliberation and their Committees.
