

*My name is and I go to
St Martin's Primary School*

*In September I will go into Year 2.
My new class teacher will be Miss
Simpson.*

This will be my new classroom.

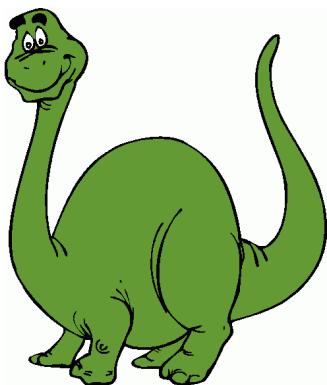

*I will have a new peg in the Year 2
cloakroom.*

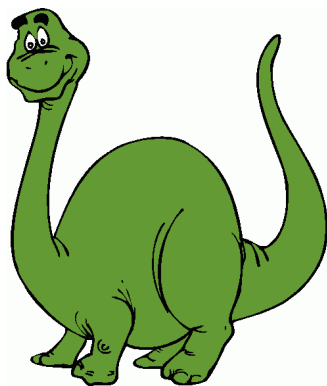

*Miss Simpson will tell everyone
where their pegs are on the first
day.*

These are the toilets that I will use.

I will usually come into school and go out of school using this door. It is the same as the one when I was in Year 1!

It is OK to feel a bit worried about going into Year 2.

Some things will be the same.

Some things will change, but that is OK.

If I am worried or have any questions I can ask an adult like Mrs Boscher or Mrs Martel.
