Date of response: 24 August 2020

Access to Public Information request:

Request for information:

I am writing to you to request information under the 'Code of Practice for Access to Public Information'.

Could you please confirm if permission was sought for the glazing to be changed within the market building where the Guernsey Registry Office is based. I have looked on www.gov.gg at previous applications, but am unable to find anything.

I understand that you have 20 days to response to my request, and I look forward to receiving the requested information.

Response from the Planning Service:

A search was conducted on the planning records for this building, but found nothing specific which relates to this enquiry.

Permission was granted for internal alterations to form a meeting room, but this does not include any alterations to the windows.
