

THE STATES OF DELIBERATION
of the
ISLAND OF GUERNSEY

15th December, 2020

Proposition No. P.2020/193

Policy & Resources
Committee

The States of Guernsey Annual Budget for 2021

AMENDMENT

Proposed by: Deputy G A St Pier

Seconded by: Deputy L S Trott

After proposition 10 to insert the following proposition -

“10A. To rescind States resolution 4C of Article II of Billet d’État XIII, 2019 entitled ‘Taxation of Motoring.’

Explanatory note

*Following the policy letter ‘Taxation of Motoring’ P.2019/47, the Policy & Resources Committee had been directed to: “include proposals in the 2020 and 2021 Budget Reports to increase the rate of excise duty on motor fuel to a level necessary to maintain the real-value of the income raised by taking account both of inflation (RPIX) **and any change in sales volume.**”*

Notwithstanding the previous Resolution of the States, the 2021 Budget Report only recommends an increase in excise duty in motor fuel in line with inflation. The amendment simply formally rescinds the extant resolution.
