In the second schedule attached to the next proposition, to replace the text for “Charge of Children Allowance” and the text under (ii) of the transferability of unused allowances with the following (to enable relevant claims to be made where an individual is not eligible to receive Family Allowance due to the level of their income):

Charge of Children Allowance

- (1) The conditions to be fulfilled to entitle a claimant who is married or in a civil partnership to a charge of children allowance are:
 - (a) that in the year of charge the claimant, or the claimant's spouse, is in receipt of Family Allowances in respect of one or more children -
 - (i) on 1 January, or
 - (ii) on the date on which Family Allowance is first claimed in respect of that child in the year in question,

whichever date is first relevant, and

 - (c) that neither the claimant nor any other individual is entitled to a dependent relative allowance in respect of the person so employed or maintained or, if the claimant or any other individual is so entitled, that the claim has been relinquished.

Provided that, for the purposes of subparagraph (a), the claimant or the claimant's spouse, as the case may be, shall be deemed to be in receipt of

a Family Allowance in respect of a child in a year of charge if they are not in receipt of such an Allowance solely by reason of the amount of their income exceeding the maximum amount prescribed for persons to be eligible for the receipt of such an Allowance.

 - (ii) neither the claimant nor any other individual is entitled to a dependent relative allowance in respect of the person so employed or maintained or if the claimant or any other individual is so entitled that the claim has been relinquished.

Provided that, for the purposes of subparagraph (a), claimants shall be deemed to be in receipt of a Family Allowance in respect of a child in a year of charge if -

This proviso is in addition to and not in derogation from paragraph (4).
