

SUMMARY OF PUBLIC WASTE DISPOSAL SITES & CHARGES, 2021

SITES RESERVED FOR DISPOSAL OR RECOVERY OF PARTICULAR TYPES OF WASTE:

1. Mont Cuet Landfill Site. Opening hours Mon – Fri: 08:00 – 16:00

Commercial green waste.

Bonded asbestos can be delivered from 8am – 12.30pm on Wednesdays and Fridays. Specific arrangements are required for the disposal of other Specially Controlled Wastes including fibrous asbestos and contaminated spoil (please contact the Office of Environmental Health & Pollution Regulation).

No loads will be reloaded after tipping at Mont Cuet.

2. Waste Transfer Station: Opening hours Mon – Fri: 04:00 – 12:30

Household and/or commercial waste with no alternative recycling or disposal route. Segregated commercial loads of glass bottles/jars and food waste.

Loads containing recyclables, inert waste, or materials not suitable for RDF production that can be reasonably segregated are classified as ‘Contaminated’, with a higher charge applied.

3. Longue Hougue Reclamation Site: Opening hours Mon – Fri: 08:00 – 16:00

Inert Waste, substantially free of vegetation (<1%). Top soil with turf/vegetation is also accepted for stockpiling and processing.

IMPORTANT CUSTOMER NOTICE

Conditions of Acceptance of waste are included in the “Waste Disposal and Recycling Sites - Charging Guidance and Conditions for Acceptance, 2021” document available on www.gov.gg/recycling

WASTE DISPOSAL & RECYCLING CHARGES (Applicable from 1 January 2021):
