28th January

Dear Sir/Madam,

Re: St Vincent, Route de la Mare de Carteret
-Proposed solar panels

PLANNING SERVICE

29 JAN 2021

Further to your letter dated 25th January, our clients, Mr & Mr Pybus, are looking to revert to the existing single storey building under the permission FULL/2018/2402. Therefore, please find attached the revised drawings to substitute the existing drawings sent on the 17th December 2020 for the application FULL/2020/2640. Referring to application fee as we are proposing to revise the existing drawings for the ongoing application, therefore we feel that there is not additional fee required.

Policy GP9 – Sustainable Development

Waste:

Waste will be kept to a minimum

Dispose/recycle:

Materials will be separated on site and disposed of responsibly.

Responsibility:

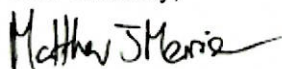

The responsibility for the site waste management plan will transfer to the contractor when construction starts.

We enclose the following in support of our application:

1. 4 copies of our scheme drawing numbered: 2378-SK-02a & SK-03a

Please note that this has also been submitted electronically and should you require any additional information or have any queries, please contact me at this office.

Yours faithfully,

M Merrien
For and on behalf of DRP Architecture
