It was advised that it was not relevant to the debate on the proposition. 12:01 Deputy Meerveld Give Way Asked whether there was a possibility for the debate to be deferred until Monday, during which period, four or five amendments could be prepared to be presented and voted on, regarding the four or five points within the legislation. Asks if this will be possible if the Assembly approved 12:02 Presiding Officer / HM Comptroller Procedural Matters: Discussion regarding process. Concluded that the best option would be a motion to defer the item of business to later in the Meeting. Discussion as to whether requesting to submit a motion during another Member's speech was an appropriate use of the 'Give Way' Rule (Rule 17.(12)). 12:05 Presiding Officer Invited Deputy Meerveld to continue with his speech. 12:05 Deputy Meerveld / Presiding Officer Stated he would like to move the motion suggested by Deputy Dyke.
