Dear Tom

**Re: Variation to Approval to Sea La Vie, Moulin du Vale, Vale, Guernsey  
For Mr & Mrs Gallienne**

Following our telephone conversation, please find enclosed our revised drawings 20-0932/03D & 04D.

The variation is for the discharge of the condition for the side (East) full length window to be obscure glazed, we have reduced this window a 1metre wide panel and to be clear glazed, so views are purely down the hillside and not of the adjacent neighbour's property which has also been added in more detail to the drawing.  
Please also note the neighbour's have a high hedge to their side of the boundary and windows already exist on our clients East Elevation.

If you have any queries regarding this variation then please do not hesitate to contact me on 258244.

Yours sincerely
