Freedom of Information Code request regarding vaccination statistics and vaccination status of inpatients at the Princess Elizabeth Hospital

Request:

Please can you advise the current population of Guernsey and the amount of vaccinated and unvaccinated people. It would be useful if you were able to confirm those under the age of 18 in each category too.

You have also stated that there are 3 people in hospital and I should be grateful if you would confirm their vaccination status.

Response:

Detailed vaccination statistics including vaccination status by age are published weekly on the States of Guernsey website: [Vaccination Stats | States of Guernsey - COVID-19 \(gov.gg\)](#)

Population information is also published and available on the States of Guernsey website: [Electronic Census; Latest Population, Employment and Earnings - States of Guernsey \(gov.gg\)](#)

As at 15th February 2022, there were 15 patients in the Princess Elizabeth Hospital with COVID-19. 13 individuals have been double vaccinated and have also received a booster dose, 1 person is double vaccinated and the final individual has received a single vaccine.
