| 1 | Many buses have been cancelled every day for another week. This appears to be a regular occurrence now week after week. Why has the problem not been resolved with CT Plus after so many weeks to provide the service expected and contracted for? |
| 2 | Given complaints that a reliable bus service is no longer being given to the public, can the President inform the Assembly whether she has taken steps to reduce the payment CT Plus receives and thereby provide compensation to the States? |
-

From: Deputy St Pier **To:** President, Committee *for* Economic Development

- 1 The Committee has recently advised States' Members that it does not intend to provide any film production finance to enable the production in the island of the film, *Toilers of the Sea*.

Has the Committee approached or considered approaching the Policy & Resources Committee to use its delegated authority over the Budget Reserve to increase the Committee's cash limits to enable production finance to be made available?
