Freedom of Information request regarding copies of certain documents

Request:

I own Bonamy House which is a listed building in the centre of St. Peter Port. It has been adversely affected by Comprop's large office development nearby. I have not been in Guernsey to see it erected.

The Town Constables objected to this development. Following discussions with them this afternoon, I am applying to you under the Code of Practice on Access to Public Information for:

- 1) a copy of the **Constables letter of objection to Planning Services, dated 29/01/2019**
- 2) a copy of **any Planning Decision Notices** that permitted that development (it is missing from the States website:
<http://planningexplorer.gov.gg/portal/servlets/ApplicationSearchServlet>
- 3) any **other letters of objection** relating to this project.

On a separate note please also supply:

- 4) a copy of Planning Appeal Decision Notice **PAP/019/2017** (this is missing from the States website, also).

Response provided:

Copies of the documents requested are provided. Please note that the copy of a representation has been redacted to omit personal data.
