The Annual Report of the Prescribing Support Unit for 2021

Request:

I expect the PSU Annual Report to have been published around now.

I formal request under the "Code of Practice for Access to Public Information," access to the full PSU Annual Report for 2021. I would be happy to receive a copy by email.

Response provided by The Committee *for* Health & Social Care:

The completion of the Annual Report of the Prescribing Support Unit for 2021 has been delayed, compared with previous years, due to problems accessing some of the States of Guernsey IT systems. These problems arose from the transfer of systems from the Committee *for* Employment & Social Security to the Committee *for* Health & Social Care as part of the Reform of Healthcare Funding.

The report has now been completed and once it has been considered by the Committee *for* Health & Social Care it will be published on the States of Guernsey website. It is anticipated that this will be done in August.
