**Proposition No. P.2022/112**

**POLICY & RESOURCES COMMITTEE**

**THE TAX REVIEW: PHASE 2**

**AMENDMENT**

Proposed by: Deputy M A J Helyar

Seconded by: Deputy P T R Ferbrache

In Proposition 3):

- a) After “If” insert the words “proposition 2 is defeated or”, and
- b) Replace “for 2024, 2025 and 2026” with “between 2024 and 2028 inclusive”

**Explanatory Note**

This amendment simply seeks to clarify that if Proposition 2 is defeated, Proposition 3 would still stand and would now read:

“If proposition 2 is defeated or the package of measures approved in proposition 2 is not sufficient to raise at least £50-60 million per annum, to direct the Policy & Resources Committee to prepare the States of Guernsey Annual Budgets between 2024 and 2028 inclusive to reduce States’ expenditure on public services by such amount necessary to put States finances in the position they would have been if that £50-60 million had been raised.”
