To resolve that the proposition to approve the draft Ordinance entitled “The Family Allowances Ordinance, 2023” be withdrawn.

Rule 4(1) Information

- a) The proposition does not contribute to the States’ objectives and policy plans. The withdrawal of this Ordinance is being proposed in line with the decision of the States on 27 April 2023 not to support proposals for an interim increase to contributory and non-contributory benefit rates with effect from July 2023.
- b) In preparing the proposition, there has been no consultation with stakeholders.
- c) The proposition has been submitted to His Majesty’s Procureur for advice on any legal or constitutional implications.
- d) There are no financial implications to the States of carrying the proposal into effect as the withdrawal of the Ordinance means that current benefit rates will continue to apply.
