6 Guidance Notes.

Schedule 2 – Exempt Buildings and Work.

Building Control has published separate guidance in relation to exemptions under the Building Regulations. This guide gives clear information to designer, developers and members of the public when determining what work may be permitted using this notification process. This guide is available from our reception or on the Government website www.gov.gg/planning

Further Information

This form will not constitute an application for planning permission, for which separate enquiries are necessary.

It is the property owners and contractors responsibility to assess the proximity of any existing drainage runs, gas, electric, water, telephone and any other services that may be present at or under the proposed location.

Please submit 1 copy of this completed form, together with any plans and other supporting information to: The Office of the Development & Planning Authority , Sir Charles Frossard House, La Charroterie, St. Peter Port, GY1 1FH.

When processing your personal data, the Development & Planning Authority complies with the Data Protection (Bailiwick of Guernsey), Law 2017. If you would like to see further information about how we process your personal data, please visit www.gov.gg/dp
