## RECORD OF MEMBERS' ATTENDANCE AT MEETINGS OF THE STATES OF DELIBERATION, THE POLICY COUNCIL, DEPARTMENTS AND COMMITTEES AND SUB-COMMITTEES THEREOF

The Presiding Officer  
The States of Guernsey  
Royal Court House  
St Peter Port

5<sup>th</sup> July 2010

Dear Sir

### EXECUTIVE SUMMARY

1. The States Assembly and Constitution Committee proposes that future reports of States Members' attendance at meetings shall relate only to meetings of the States of Deliberation and meetings of the Policy Council, States departments and committees and that attendance at sub-committees will cease to be reported.

### REPORT

2. On the 28<sup>th</sup> January 2004 the States resolved, inter alia:

*“That Departments and Committees shall maintain a record of their States Members' attendance at, and absence from, meetings, including sub-committee meetings and the reasons for absence given shall also be recorded.*

*That the records of States Members' attendance at, absence from and reasons for absence from meetings, shall be made available to the House Committee\* to monitor and to take such action as it sees fit within its powers and the records shall also be available for inspection by the public.”*

*[\*name changed on 1<sup>st</sup> August 2008 to States Assembly and Constitution Committee]*

3. The appended report which sets out statistics provided by Her Majesty's Greffier, Departments and Committees for the six months ended 30<sup>th</sup> April 2010 deviates from the States resolution in that the States Assembly and Constitution Committee has deemed it appropriate to accede to a request that statistics relating to attendance in the States of Deliberation are also included.

4. The resolution requires that the statistics “*be available for inspection by the public*” and the practice to date has been that the details are published as an appendix to a Billet d’État. The decision to keep records of States Members’ attendance was agreed in advance of the introduction of the new system of government in May 2004.
5. In the course of the production of the first report for the period ended 31<sup>st</sup> October 2005 it became apparent that some departments had not kept records of sub-committees: consequently the first report did not include statistics relating to sub-committees. All subsequent reports have included such statistics.
6. However, almost from the outset, States Members have regularly expressed concern that the published figures do not fairly represent the full extent of work carried out by them. Some of the reasons advanced to support that view are that the statistics take no account of –
  - Constituency work;
  - Meetings other than those of departments/committees/sub-committees;
  - Networking with other States Members;
  - Public engagements;
  - Off-Island meetings.
7. A further issue relates to the differing number of sub-committees. The present return shows the distribution of sub-committees as follows –
  - 32 Education Department
  - 10 Policy Council
  - 8 Public Services Department (+ 1 joint with C.& E.)
  - 7 Treasury and Resources Department (+ 1 joint with C.& E.)
  - 6 Commerce and Employment Department (+ 2 joint as above)
  - 6 Culture and Leisure Department
  - 5 Public Accounts Committee
  - 4 Home Department
  - 4 Public Sector Remuneration Committee
8. The following do not declare any sub-committees: Environment Department, Health and Social Services Department, Housing Department, Social Security Department, Legislation Select Committee, Scrutiny Committee, States Assembly and Constitution Committee.
9. Further, there is no definition as to what constitutes a sub-committee for reporting purposes. Clearly any sub-committee constituted pursuant to Rules 16 or 16A of the Rules relating to the Constitution and Operation of States Departments and Committees is a sub-committee for this purpose. However, it is clear that some departments take a more liberal view as to what constitutes a sub-committee.

10. Two examples illustrate this point: first, the Culture and Leisure Department reports the Guernsey Sports Commission and the Friends of St. James Association as sub-committees. Second, the Education Department reports all the Primary Schools Committees and Secondary Schools Committees which are not sub-committees but rather are constituted pursuant to section 6 of the Education (Guernsey) Law, 1970.
11. In the six years since records of Members' attendance at meetings were first kept, no report has indicated that a Member had neglected his/her duty to attend meetings. That being so, it might be held that the exercise is all rather pointless. A rough calculation indicates that the staff time cost across the States as a whole in maintaining and reporting is probably in the region of £3,000 per annum.
12. The Committee therefore considered whether reporting should continue and if so, to what extent and recommends that records should continue to be kept, and reports made, in respect of attendance at meetings of the States of Deliberation and meetings of departments and committees. However, the Committee has concluded, having regard to the difficulties set out in earlier paragraphs, that records should no longer be kept in respect of attendance at meetings of sub-committees.
13. Coincidentally, at the same time as this matter was being considered by the Committee, it received a request from a States Member that consideration be given to introducing a register which Members would be required to sign if they were to be absent from the States Chamber for a half day or longer and in which they would state the reasons for their absence. The Committee does not believe that the provision of such a register is necessary and therefore does not make any recommendation in that regard.
14. The States Assembly and Constitution Committee recommends the States to agree:
  1. To rescind paragraphs 19 and 20 of the Resolutions on Article IX of Billet d'État I of 2004;
  2. That departments and committees shall maintain a record of their States Members' attendance at, and absence from meetings and that the reason for absence shall also be recorded;
  3. That the records referred to in 2 above, together with a record of States Members' attendance at meetings of the States of Deliberation, shall be published from time to time as an appendix to a Billet d'État.

Yours faithfully

I. F. RIHOY

Chairman  
States Assembly and Constitution Committee

**Note:**

The only inference which can be drawn from the attendance statistics in this part of the report is that a Member was present for the roll call or was subsequently *relévé(e)*.

Some Members recorded as absent will have been absent for acceptable reasons, e.g. illness or representing the States in some other forum such as the Commonwealth Parliamentary Association.

The details of all recorded votes can be found on the States' website – <http://www.gov.gg/ccm/navigation/government/states-meetings---billets-d-etat/states-members-voting-records/>
