(Meeting adjourned from 8th December, 2010)

**The States resolved as follows concerning Billet d'État No XXIV
dated 29th October, 2010**

PUBLIC SERVICES DEPARTMENT

RECYCLING TARGETS

V.- After consideration of the Report dated 22nd September, 2010, of the Public Services Department:-

1. To note the 2009 recycling rates.
2. To note that it is anticipated that a new waste management strategy and associated challenging but achievable long-term targets will be ready for presentation within 9-12 months.
3. To note the predicted out-turns for 2010, namely:
 - i. a domestic recycling rate of 44%; and
 - ii. a commercial recycling rate of 41.5%.
4. To approve pursuit of the previously adopted 50% recycling targets for both domestic and commercial waste from the end of 2010, until superseded by targets that emerge from the waste strategy.
5. That the Public Services Department liaise with all other States Departments and Committees to achieve a commitment to recycling across government.
6. To note the potential for waste and recycling tonnages to be affected by the Environmental Pollution (Waste Control and Disposal) Ordinance under the Environmental Pollution (Guernsey) Law.
