Dear Sir,

Requête Sunday Trading - Proposal to suspend the operation of the Sunday trading ordinance 2002 as amended for a trial period from 1st December 2012

Further to the Castel Douzaine meeting of the 24th September 2012, where the Requete on Sunday Trading was considered, it was felt that, even accepting that in some areas that the present system is flawed, the suspension of the current Sunday Trading Ordinance is not the answer.

It was also considered that if the Requête was successful it will be difficult to reverse at the end of the trial period.

Therefore the Castel Constables and Douzaine are unable to support the above Requête.

Yours sincerely,

Kevin Walsh
Senior Constable
Castel Parish
