THE STATES OF GUERNSEY

AND

THE GOVERNMENT OF THE REPUBLIC OF SEYCHELLES,

DESIRING to conclude an Agreement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income,

HAVE AGREED as follows:

ARTICLE 1

PERSONS COVERED

This Agreement shall apply to persons who are residents of one or both of the Contracting Parties.

ARTICLE 2

TAXES COVERED

1. This Agreement shall apply to taxes on income imposed by or on behalf of a Contracting Party, irrespective of the manner in which they are levied.
2. There shall be regarded as taxes on income all taxes imposed on total income, or on elements of income, including taxes on the total amounts of wages or salaries paid by enterprises.
3. The existing taxes to which the Agreement shall apply are:
 - (a) in the case of Guernsey:
 - (i) income tax;
(hereinafter referred to as “Guernsey tax”);
 - (b) in the case of Seychelles:
 - (i) the business tax;
 - (ii) the income and non-monetary benefits tax; and
 - (ii) the petroleum income tax;

(hereinafter referred to as “Seychelles tax”).
4. This Agreement shall apply also to any identical or substantially similar taxes that are imposed after the date of signature of the Agreement in addition to, or in place of, the existing taxes. The competent authorities of the Contracting Parties shall notify each other of any significant changes that have been made in their respective taxation laws which may affect matters covered by the Agreement, and if it seems desirable to amend any Article of the Agreement without affecting the general principles thereof, the necessary amendments may be made by mutual consent of the Parties by means of exchange of notes.

ARTICLE 3

GENERAL DEFINITIONS

1. For the purposes of this Agreement, unless the context otherwise requires:
 - (a) the term “Guernsey”, means the States of Guernsey and, when used in a geographical sense, means the islands of Guernsey, Alderney and Herm, and including the territorial sea adjacent to those islands, in accordance with international law, save that any reference to the law of Guernsey is to the law of the island of Guernsey as it applies there and in the islands of Alderney and Herm;
 - (b) the term “Seychelles” means the territory of the Republic of Seychelles, including its exclusive economic zone and continental shelf where Seychelles exercises sovereign rights and jurisdiction in conformity with the provisions of the United Nations Convention on the Law of the Sea;
 - (c) the terms “a Contracting Party” and “the other Contracting Party” mean Guernsey or Seychelles, as the context requires;
 - (d) the term “business” includes the performance of professional services and of other activities of an independent character;
 - (e) the term “company” means any body corporate or any entity that is treated as a body corporate for tax purposes;
 - (f) the term “competent authority” means:
 - (i) in the case of Guernsey, the Director of Income Tax of the States of Guernsey or his delegate;
 - (ii) in the case of Seychelles, the Minister responsible for Finance or an authorised representative of the Minister;
 - (g) the term “enterprise” applies to the carrying on of any business;
 - (h) the terms “enterprise of a Contracting Party” and “enterprise of the other Contracting Party” mean respectively an enterprise carried on by a resident of a Contracting Party and an enterprise carried on by a resident of the other Contracting Party;
 - (i) the term “international traffic” means any transport by a ship or aircraft operated by an enterprise that has its place of effective management in a Contracting Party, except when the ship or aircraft is operated solely between places in the other Contracting Party;
 - (j) the term “national” in relation to a Contracting Party means:

- (i) in the case of Guernsey, any individual who has a place of abode in Guernsey and possesses British citizenship, and any legal person, partnership or association deriving its status as such from the laws of Guernsey;
 - (ii) in the case of Seychelles, any individual possessing the nationality or citizenship of Seychelles and any legal person, partnership or association deriving its status as such from the laws in force in Seychelles;
 - (k) the term “person” includes an individual, a company and any other body of persons that is treated as an entity for tax purposes.
2. As regards the application of the Agreement at any time by a Contracting Party, any term not defined therein shall, unless the context otherwise requires, have the meaning that it has at that time under the laws of that Party for the purposes of the taxes to which the Agreement applies, any meaning under the applicable tax laws of that Party prevailing over a meaning given to the term under other laws of that Party.

ARTICLE 4

RESIDENT

1. For the purposes of this Agreement, the term “resident of a Contracting Party” means any person who, under the laws of that Party, is liable to tax therein by reason of his domicile, residence, place of management, control or any other criterion of a similar nature, and also includes that Party. This term, however, does not include any person who is liable to tax in that Party in respect only of income from sources in that Party.
2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting Parties, then his status shall be determined as follows:
- (a) he shall be deemed to be a resident only of the Party in which he has a permanent home available to him; if he has a permanent home available to him in both Parties, he shall be deemed to be a resident only of the Party with which his personal and economic relations are closer (centre of vital interests);
 - (b) if the Party in which he has his centre of vital interests cannot be determined, or if he has not a permanent home available to him in either Party, he shall be deemed to be a resident only of the Party in which he has an habitual abode;
 - (c) if he has an habitual abode in both Parties or in neither of them, he shall be deemed to be a resident only of the Party of which he is a national;
 - (d) if he is a national of both Parties or neither of them, the competent authorities of the Parties shall settle the question by mutual agreement.
3. Where by reason of the provisions of paragraph 1 a person other than an individual is a resident of both Contracting Parties, then it shall be deemed to be a resident only of the Party in which its place of effective management is situated.

ARTICLE 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term “permanent establishment” means a fixed place of business through which the business of an enterprise is wholly or partly carried on.
2. The term “permanent establishment” includes especially:
 - (a) a place of management;
 - (b) a branch;
 - (c) an office;
 - (d) a factory;
 - (e) a workshop; and
 - (f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.
3. A building site, a construction, assembly or installation project or supervisory activity connected therewith constitutes a permanent establishment but only if such site, project or activity continues for a period of more than twelve months.
4. The furnishing of services, including consultancy services, by an enterprise through employees or other personnel engaged by the enterprise for such purpose, constitutes a permanent establishment but only where activities of that nature continue for the same or a connected project within the Contracting Party for a period or periods exceeding in the aggregate 183 days in any twelve month period commencing or ending in the fiscal year concerned.
5. Notwithstanding the preceding provisions of this Article, the term “permanent establishment” shall be deemed not to include:
 - (a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
 - (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
 - (c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
 - (d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise, or of collecting information, for the enterprise;

- (e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;
 - (f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs (a) to (e), provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.
6. Notwithstanding the provisions of paragraphs 1 and 2, where a person – other than an agent of an independent status to whom paragraph 7 applies – is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting Party an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that Party in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 5 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.
 7. An enterprise shall not be deemed to have a permanent establishment in a Contracting Party merely because it carries on business in that Party through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.
 8. The fact that a company which is a resident of a Contracting Party controls or is controlled by a company which is a resident of the other Contracting Party, or which carries on business in that other Party (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting Party from immovable property (including income from agriculture or forestry) situated in the other Contracting Party may be taxed in that other Party.
2. The term “immovable property” shall have the meaning which it has under the law of the Contracting Party in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, boats and aircraft shall not be regarded as immovable property.
3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise.

ARTICLE 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting Party shall be taxable only in that Party unless the enterprise carries on business in the other Contracting Party through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits that are attributable to the permanent establishment in accordance with the provisions of paragraph 2 may be taxed in that other Party.
2. Subject to the provisions of paragraph 3 of this Article, where an enterprise of a Contracting Party carries on business in the other Contracting Party through a permanent establishment situated therein, there shall in each Party be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.
3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the business of the permanent establishment, including executive and general administrative expenses so incurred, whether in the Contracting Party in which the permanent establishment is situated or elsewhere. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than towards reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission, for specific services performed or for management, or, except in the case of a banking enterprise by way of interest on moneys lent to the permanent establishment. Likewise, no account shall be taken, in the determination of profits of a permanent establishment, for amounts charged (otherwise than towards reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by the way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the head office of the enterprise or any of its other offices.
4. Insofar as it has been customary in a Contracting Party to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 shall preclude that Contracting Party from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.
5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.
7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8

SHIPPING AND AIR TRANSPORT

1. Profits from the operation of ships or aircraft in international traffic shall be taxable only in the Contracting Party in which the place of effective management of the enterprise is situated.
2. If the place of effective management of a shipping enterprise is aboard a ship, then it shall be deemed to be situated in the Contracting Party in which the home harbour of the ship is situated, or, if there is no such home harbour, in the Contracting Party of which the operator of the ship is a resident.
3. For the purposes of this Article, profits derived from the operation in international traffic of ships and aircraft include profits:
 - (a) derived from the rental on a bareboat basis of ships and aircraft if operated in international traffic; and
 - (b) derived from the use, maintenance or rental of containers (including trailers and related equipment for the transport of containers) used for the transport of goods or merchandise,where such rental profits or profits from such use, maintenance or rental, as the case may be, are incidental to the profits described in paragraph 1.
4. The provisions of paragraph 1 shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

ARTICLE 9

ASSOCIATED ENTERPRISES

1. Where:
 - (a) an enterprise of a Contracting Party participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting Party; or
 - (b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Party and an enterprise of the other Party,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting Party includes in the profits of an enterprise of that Party – and taxes accordingly – profits on which an enterprise of the other Contracting Party has been charged to tax in that other Party and the competent authorities of the Contracting Parties agree, after consultation, that all or part of the profits so included are profits which would have accrued to the enterprise of the first-mentioned Party if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Party shall make an appropriate adjustment to the amount of the tax charged therein on those agreed profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Parties shall if necessary consult each other.

ARTICLE 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting Party to a resident of the other Contracting Party and which are beneficially owned by that resident shall be taxable only in that other Party.
2. Paragraph 1 shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.
3. The term “dividends” as used in this Article means income from shares, “jouissance” shares or “jouissance” rights, mining shares, founders’ shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the Contracting Party of which the company making the distribution is a resident.
4. The provisions of paragraph 1 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting Party, carries on business in the other Contracting Party of which the company paying the dividends is a resident, through a permanent establishment situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.
5. Where a company which is a resident of a Contracting Party derives profits or income from the other Contracting Party, that other Party may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other Party or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other Party, nor subject the company's undistributed profits to a tax on the company's undistributed

profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other Party.

ARTICLE 11

INTEREST

1. Interest arising in a Contracting Party and which is beneficially owned by a resident of the other Contracting Party shall be taxable only in that other Party.
2. The term “interest” as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.
3. The provisions of paragraph 1 shall not apply if the beneficial owner of the interest, being a resident of a Contracting Party, carries on business in the other Contracting Party in which the interest arises, through a permanent establishment situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.
4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting Party, due regard being had to the other provisions of this Agreement.

ARTICLE 12

ROYALTIES

1. Royalties arising in a Contracting Party and paid to a resident of the other Contracting Party may be taxed in that other Party.
2. However, such royalties may also be taxed in the Contracting Party in which they arise and according to the laws of that Party, but if the beneficial owner of the royalties is a resident of the other Contracting Party, the tax so charged shall not exceed 5% per cent of the gross amount of the royalties.
3. The term “royalties” as used in this Article means an amount, however described or computed, whether periodical or a lump sum, as consideration for:
 - (a) the use of, or right to use any patent, invention, design or model, secret formula or process, trade mark, or other like property or right;

- (b) the use of, or right to use any copyright of a literary, artistic, or scientific work (including films or video tapes for use in connection with television broadcasting or tapes in connection with radio broadcasting);
 - (c) the receipt of, or right to receive, any visual images or sounds, or both, transmitted by satellite, cable, optic fibre, or similar technology in connection with television, radio, or internet broadcasting;
 - (d) information concerning industrial, commercial or scientific experience.
4. The provisions of paragraph 1 and 2 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting Party, carries on business in the other Contracting Party in which the royalties arise, through a permanent establishment situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.
5. Royalties shall be deemed to arise in a Contracting Party when the payer is a resident of that Party. Where, however, the person paying the royalties, whether that person is a resident of a Party or not, has in a Party a permanent establishment with which the right or property in respect of which the royalties are paid is effectively connected, and such royalties are borne by such permanent establishment, then such royalties shall be deemed to arise in the Party in which the permanent establishment is situated.
6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting Party, due regard being had to the other provisions of this Agreement.

ARTICLE 13

CAPITAL GAINS

1. Gains derived by a resident of a Contracting Party from the alienation of immovable property referred to in Article 6 and situated in the other Contracting Party may be taxed in that other Party.
2. Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting Party has in the other Contracting Party including such gains from the alienation of such a permanent establishment (alone or with the whole enterprise) may be taxed in that other Party.
3. Gains derived by an enterprise of a Contracting Party from the alienation of ships or aircraft operated in international traffic, or from movable property pertaining to the

operation of such ships or aircraft, shall be taxable only in the Party in which the place of effective management is situated.

4. Gains from the alienation of any property, other than that referred to in paragraphs 1, 2 and 3, shall be taxable only in the Contracting Party of which the alienator is a resident.

ARTICLE 14

INCOME FROM EMPLOYMENT

1. Subject to the provisions of Articles 15, 17 and 18, salaries, wages and other similar remuneration derived by a resident of a Contracting Party in respect of an employment shall be taxable only in that Party unless the employment is exercised in the other Contracting Party. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other Party.
2. Notwithstanding the provisions of paragraph 1, remuneration derived by a resident of a Contracting Party in respect of an employment exercised in the other Contracting Party shall be taxable only in the first-mentioned Party if:
 - (a) the recipient is present in the other Party for a period or periods not exceeding in the aggregate 183 days in any twelve month period commencing or ending in the fiscal year concerned; and
 - (b) the remuneration is paid by, or on behalf of, an employer who is not a resident of the other Party; and
 - (c) the remuneration is not borne by a permanent establishment which the employer has in the other Party.
3. Notwithstanding the preceding provisions of this Article, remuneration derived in respect of an employment exercised aboard a ship or aircraft operated in international traffic may be taxed in the Contracting Party in which the place of effective management of the enterprise is situated.

ARTICLE 15

DIRECTORS' FEES

Directors' fees and other similar payments derived by a resident of a Contracting Party in his capacity as a member of the board of directors of a company which is a resident of the other Contracting Party may be taxed in that other Party.

ARTICLE 16

ARTISTES AND SPORTSMEN

1. Notwithstanding the provisions of Articles 7 and 14, income derived by a resident of a Contracting Party as an entertainer, such as a theatre, motion picture, radio or television artiste, or a musician, or as a sportsman, from his personal activities as such exercised in the other Contracting Party, may be taxed in that other Party.
2. Where income in respect of personal activities exercised by an entertainer or a sportsman in his capacity as such accrues not to the entertainer or sportsman himself but to another person, that income may, notwithstanding the provisions of Articles 7 and 14, be taxed in the Contracting Party in which the activities of the entertainer or sportsman are exercised.

ARTICLE 17

PENSIONS AND ANNUITIES

1. Subject to the provisions of paragraph 2 of Article 18, pensions and other similar remuneration, including lump sum payments, and annuities, arising in a Contracting Party and paid to a resident of the other Contracting Party, may be taxed in the first-mentioned Party.
2. The term “annuity” means a stated sum payable periodically at stated times during life or during a specified or ascertainable period of time under an obligation to make the payments in return for adequate and full consideration in money or money’s worth.
3. Notwithstanding the provisions of paragraph 1, pensions paid and other payments made under a public scheme which is part of the social security system of a Contracting Party shall be taxable only in that Party.

ARTICLE 18

GOVERNMENT SERVICE

- 1 (a) Salaries, wages and other similar remuneration, paid by a Contracting Party or a statutory body thereof to an individual in respect of services rendered to that Party or body shall be taxable only in that Party.
- (b) However, such salaries, wages and other similar remuneration shall be taxable only in the other Contracting Party if the services are rendered in that Party and the individual is a resident of that Party who:
 - (i) is a national of that Party; or
 - (ii) did not become a resident of that Party solely for the purpose of rendering the services.

2. (a) Notwithstanding the provisions of paragraph 1, pensions and other similar remuneration paid by, or out of funds created by, a Contracting Party or a statutory body thereof to an individual in respect of services rendered to that Party or body shall be taxable only in that Party.
- (b) However, such pensions and other similar remuneration shall be taxable only in the other Contracting Party if the individual is a resident of, and a national of, that Party.
3. The provisions of Articles 14, 15, 16 and 17 shall apply to salaries, wages, pensions, and other similar remuneration in respect of services rendered in connection with a business carried on by a Contracting Party or a statutory body thereof.

ARTICLE 19

STUDENTS AND BUSINESS APPRENTICES

Payments which a student or business apprentice who is or was immediately before visiting a Contracting Party a resident of the other Contracting Party and who is present in the first-mentioned Party solely for the purpose of his education or training receives for the purpose of his maintenance, education or training shall not be taxed in that Party, provided that such payments arise from sources outside that Party.

ARTICLE 20

PROFESSORS AND TEACHERS

1. Notwithstanding the provisions of Article 14, a professor or teacher who makes a temporary visit to one of the Contracting Parties for a period not exceeding two years from the date of first arrival in that Party, solely for the purpose of teaching or carrying out research at a university, college, school or other educational institution in that Party and who is, or immediately before such visit was, a resident of the other Contracting Party shall, in respect of remuneration for such teaching or research, be exempt from tax in the first-mentioned Party, provided that such remuneration is derived by the professor or teacher from sources outside that Party.
2. The provisions of this Article shall not apply to income from research if such research is undertaken not in the public interest but wholly or mainly for the private benefit of a specific person or persons.

ARTICLE 21

OTHER INCOME

1. Items of income of a resident of a Contracting Party, wherever arising, not dealt with in the foregoing Articles of this Agreement shall be taxable only in that Party.

2. The provisions of paragraph 1 shall not apply to income, other than income from immovable property as defined in paragraph 2 of Article 6, if the recipient of such income, being a resident of a Contracting Party, carries on business in the other Contracting Party through a permanent establishment situated therein, and the right or property in respect of which the income is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 shall apply.

ARTICLE 22

ELIMINATION OF DOUBLE TAXATION

1. Where a resident of a Contracting Party derives income which, in accordance with the provisions of this Agreement, may be taxed in the other Contracting Party, the first-mentioned Party shall allow, as a deduction from the tax on the income of that resident, an amount equal to the income tax paid in that other Party. Such deduction in either case shall not, however, exceed that part of the income tax, as computed before the deduction is given, which is attributable, as the case may be, to the income which may be taxed in that other Party.
2. Where in accordance with any provision of the Agreement income derived by a resident of a Contracting Party is exempt from tax in that Party, such Party may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

ARTICLE 23

NON-DISCRIMINATION

1. Nationals of a Contracting Party shall not be subjected in the other Contracting Party to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other Party in the same circumstances, in particular with respect to residence, are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Parties.
2. The taxation on a permanent establishment which an enterprise of a Contracting Party has in the other Contracting Party shall not be less favourably levied in that other Party than the taxation levied on enterprises of that other Party carrying on the same activities. This provision shall not be construed as obliging a Party to grant to residents of the other Party any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.
3. Except where the provisions of paragraph 1 of Article 9, paragraph 4 of Article 11, or paragraph 6 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting Party to a resident of the other Contracting Party shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned Party.

4. Enterprises of a Contracting Party, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting Party, shall not be subjected in the first-mentioned Party to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned Party are or may be subjected.
5. The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

ARTICLE 24

MUTUAL AGREEMENT PROCEDURE

1. Where a person considers that the actions of one or both of the Contracting Parties result or will result for him in taxation not in accordance with the provisions of this Agreement, he may, irrespective of the remedies provided by the domestic law of those Parties, present his case to the competent authority of the Party of which he is a resident or, if his case comes under paragraph 1 of Article 23, to that Party of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.
2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting Party, with a view to the avoidance of taxation which is not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Parties.
3. The competent authorities of the Contracting Parties shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.
4. The competent authorities of the Contracting Parties may communicate with each other directly, for the purpose of reaching an agreement in the sense of the preceding paragraphs.

ARTICLE 25

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting Parties shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes covered by this Agreement insofar as the taxation thereunder is not contrary to the Agreement. The exchange of information is not restricted by Article 1.

2. Any information received under paragraph 1 by a Contracting Party shall be treated as secret in the same manner as information obtained under the domestic laws of that Party and shall be disclosed only to persons or authorities (including courts and administrative bodies) concerned with the assessment or collection of, the enforcement or prosecution in respect of, the determination of appeals in relation to the taxes referred to in paragraph 1, or the oversight of the above. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions. For the avoidance of doubt, information shall not be disclosed to any third jurisdiction for any purpose.
3. In no case shall the provisions of paragraphs 1 and 2 be construed so as to impose on a Contracting Party the obligation:
 - (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting Party;
 - (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Party;
 - (c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).
4. If information is requested by a Contracting Party in accordance with this Article, the other Contracting Party shall use its information gathering measures to obtain the requested information, even though that other Party may not need such information for its own tax purposes. The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 but in no case shall such limitations be construed to permit a Party to decline to supply information solely because it has no domestic interest in such information.
5. In no case shall the provisions of paragraph 3 be construed to permit a Contracting Party to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.
